

Dr Lock Security Parramatta

15 Campbell Street
Parramatta, NSW 2150
Australia

Phone: 02 989 12345

Locksmith in Parramatta NSW Whether you're locked out or just need to change locks, Dr. Lock has got you covered! This Sydney-based locksmith covers Western Sydney with 24-hour locksmithing services for emergencies and security issues. They can even come at 3:00 am to change your locks right after a burglary, if you need it! All staff members are mobile and the nearest locksmith can come to you quickly. Dr. Lock is a well-respected and trusted security professional, meeting all the requirements for the Australian Security Industry Association Limited (ASIAL). All members of the staff have a security licence and police clearance. Dr. Lock offers the Master Locksmiths Professional Guarantee to all clients. In addition to locksmithing services, Dr. Lock offers security products for peace of mind, such as keys, padlocks, screen doors, chains, machines, safes, cylinders, door hardware, hasps, tools, and competition keys. CCTV and other burglar deterrents are also available for sale and installation. Dr. Lock services these areas: Parramatta, Hornsby, Sydney CBD, Ryde, Epping, Chatswood, North Shore, Sydney West, Penrith, Blacktown, and Homebush areas. Services include lock opening, lock changing, lock repairing, lock installation, safe installation, and product sales. Prices are competitive and reasonable.
