32 Eskdale Dr  
Croydon Hills, VIC 3136  
Australia

Phone: (03) 9021 3730

Plumber in Melbourne VICs your tub or sink refusing to drain? Has your hot water run cold? Did a pipe burst? The Melbourne Plumber can help with all these plumbing problems and more with 24-hour service to all areas of Melbourne. They can fix all plumbing-related problems, including gas leaks, hot water heating, blocked and clogged drains, burst pipes, blocked gutters, and even leaking roofs! In operation for more than 15 years, The Melbourne Plumber offers high-quality, certified work through all of their fully-licensed plumbing contractors. Emergency plumbing services are a specialty of The Melbourne Plumber, making themselves available seven days a week around the clock when you need it. You can expect reliable service for any size job, big or small, at home or the office. The Melbourne Plumbers offers a number of helpful videos on the web site designed to help you identify plumbing issues, such as how to check for gas leaks in a home, and how to get your hote water serviced. All areas of Melbourne are served, including Berwick, Brunswick, Burwood, Camberwell, Carrum Downs, Caroline Springs, Cranbourne, Dandenong, Doncaster, Frankston, Hawthorn, Kew, Malvern, Tullamarine, Melton, Mentone, Ringwood, St Kilda, Waverley, and Werribee.
