Ablethorpe are a specialist legal recruitment company operating in Australia and overseas. Our Australian offices include Melbourne, Sydney, Brisbane, Perth and Adelaide, while internationally we're located in London, Hungary, Tokyo and New Zealand.

We believe success is measured by our two core values – honesty and professionalism. This means we keep the sales pitches to a minimum and instead focus on matching the best roles with the best people. Law jobs are stereotypically complex and multifaceted with candidates requiring a unique set of skills for any one legal role. It is for this reason that our consultants are legally qualified and highly qualified; having formally worked within the legal industry themselves. By understanding the legal industry and law jobs themselves, our specialist legal consultants have first-hand knowledge at finding the best fit between candidate, role and company. Aside from boasting some of the most experienced legal consultants in our industry, our suc
