Aged Care Accommodations in Melbourne VIC Kew Gardens Aged Care is situated in a quiet residential tree lined street in Kew overlooking Alexandra Gardens, the City of Boorondara's premier heritage gardens, a short walk from Kew Junction and the nearby shops. Kew Gardens was built specifically to meet the expectations and requirements of the baby boomer generation. No expense has been spared to ensure our residents feel as though they have moved into a high quality residential home, providing hotel type amenities and exceptional care. The facility's 100-bed, Extra Service residential care facility featuring luxurious amenities was designed to meet and exceed current environmental design requirements, offering a mix of Extra Service Care together with specialist dementia care and ageing in place programs. Elegantly appointed and decorated, the en suited private rooms, suites and super- suites ensure privacy and dignity for each resident. Residents feel comfortable and reassured by the professional and attentive service provided by our dedicated team of nurses, carers and allied health care professionals. Architecturally designed and built this ultra modern complex provides a warm and friendly environment offering your loved one unparalleled opportunities for relaxation and or entertainment. The elegantly featured, Multi awarding winning facility incorporates large sun filled sitting rooms/lounges, dining rooms and entertainment areas, providing numerous opportunities for residents to involve themselves in the multitude of activities on offer. In addition to the formal lounges bestowed with fireplaces and the elegant dining rooms, Kew Gardens features an

Alfresco Café and Bar, a Multimedia Cinema, Private Dining Room and a Lifestyle Centre. The facility also includes a library and business centre enabling computer access. The Day Spa incorporates Massage beauty therapy room in addition to the Hair salon and a Gymnasium, complete with gym equipment suitable for physiotherapist Rehabilitation sessions.
