Dr George Olstein's dental surgery is located in Prahran, Melbourne. With over 30 years of experience, Dr Olstein knows everything there is to know about dental care. He has honed his techniques and specialities and is well versed in brand new technologies, just as much as traditional methods. We are all too aware of how stressful a visit to the dentist can be, which is why we do all we can to ensure you're relaxed and comfortable. And, if you prefer, we also offer sleep dentistry treatments. We pride ourselves on our tailored, individualised treatment plans; you can be sure that your treatment plan will be tailored specifically for you, based on a thorough examination. All team members are friendly and approachable, and ready to answer any questions that you might have. All you have to do is ask.
