Tiling in Mount Gambier, SA Tile Mart strives to offer every one of our clients the best service and the widest range of tile products. We are direct importers of Porcelain, Ceramic, glazed and unglazed tiles. Our large range extends to even of 'Wood look alike' Porcelain tiles, decorative tiles, glass and stone mosaics which aim to please all our clients. All of these are available in many sizes, colours and finishes including external. We also offer a subscription to our Tile Mart website where you can enter your details and we can organise samples of our range direct to your doorstep. We can also arrange one of our representatives to call out to visit you if required. We offer measure and quote and delivery service throughout most of our stores located throughout Victoria, Southern N.S.W, and Tasmania. We pride ourselves on unrivalled customer service and take great pleasure in helping you complete your project from start to finish. At Tile Mart we continuously monitor our prices, and we are strongly committed in carefully selecting the best choices of tiles from around the world, and supporting Australian made tiles, searching for quality and best price so that we can remain the most competitive and we pass these benefits on to you. We have an enthusiastic team whose attitude and professionalism is conveyed through their knowledge and their expert advice with technical product information, colour and design experience with a 'can do' approach to a successful result in fulfilling your needs. We look forward to seeing you again and again for many more years to come. Get it right from the start, you won't do better than Tile Mart!
