Gourmet Food in Nurioopta, SA It might be a coffee and cake or sweetmeats; our ice-creams or a picnic basket with a glass of wine - with tables available inside and out, weather dependent, of course. At Maggie's you'll find the best food every day of the year. Here at Maggie's Farm Shop we want to make sure our customers have the best products in the markets easily available. We encourage our visitors to wander around the shop and take the opportunity to taste all the products; in fact this is the only place in Australia where you have the chance to see and try just about every product we make. Our large commercial kitchens are in Tanunda a few kilometres away where the majority of the range of Maggie Beer Products are made. Those that we haven't the equipment in our kitchens to make are made under the very tight direction and eagle eye of Maggie. We are proudly South Australian and only find producers outside of the State when we can't find the right partners here. But there is a bonus for our visitors in that on the farm we have a small seasonal kitchen where we make products to follow the seasons not large enough to distribute Australia wide so there is a never ending stream of new products especially for our Farm Shop visitors and our direct online on the web.
