Driving School in Port Pirie, SA Our team of highly qualified trainers will equip you with all the necessary defensive driving techniques for safe driving and nationally recognized qualifications. A defensive driving course provides knowledge and hands-on-skills training to ensure your safety on the road. Our courses are suitable for all drivers and vehicles. Our training programs are two fold, which include: Theory, with a comprehensive multi-media presentation on driving and road safety and Practical, with a range of exercises to develop emergency car control skills Exercises are designed so that drivers can safely explore the effects of speed, road surface and different braking systems when faced with an emergency. Each driver will roughly complete 10-12 emergency stops during the day with valuable instruction along the way. We will teach you defensive driving: a set of skills that drivers develop to avoid emergency situations and ensure maximum safety on the road. This is done by anticipating errors of other drivers, emergency situations and road conditions among other factors. With over 16 years of experience delivering defensive driver training, Driver Skills International has an excellent reputation providing defensive driving courses in Port Pirie. Our Port Pirie defensive driving course is one of the most acclaimed programs.
