Hardware Store in Port Pirie, SA We are dedicated to offering you an outstanding service. Here at Tiles & Hardware Centre we have the strong point on imported acquiring as well as domestic sourcing. This empowers us to deliver a wide-ranging variety of exclusive tiles, estimated to fit every budget. We are a store but we can also organise the installation of all the products we sell: from tiling to flooring and guttering, whether is Commercial or domestic, no job is too big or too small for our expert team of handymen. We guide our customers on the modern concepts in fine ceramics so the full prospective of our products can be accomplished. We offer the following products (although we are not limited to this list): Tiles, Ceramic wall, Ceramic floor, Vanities, Toilets, Showers, Baths & spas, Tapware, Troughs, Bathroom accessories, Kitchen sinks. We also offer pioneering design solutions that will fit your lifestyle and your needs. Our objective is to deliver a constant service level which goes beyond our clients expectations through all stages of our rapport with the client. We offer products that will motivate creative and pioneering design solutions to meet the client's way of life, requirements and specific budget. Give us a call right away!
