Motel in Whyalla, SA Just like in the Eagles' song, the Mirambeena Hotel is 'such a lovely place!' There are no "mirrors on the ceilings or pink champagne on ice" – but we do have very comfortable rooms, cold beer on ice or a bottle of wine from the rack. And then there's our fabulous working men's meals: people come for a bed but return for our legendary steaks! We specialize in short and long stays for contractors in and around Whyalla. There's a total of 62 rooms each with a queen size bed, new 32cm TV, split system air-conditioning systems. Total block-out windows for night-shift workers so you can get the best sleep possible, every time. Accommodation for large or small groups of working men and women, day shifters, night shifters. Our clients rave about us due to the one thing that makes us the best Whyalla motel: its that we care. We will take care of you and your company. We provide a "home away from home" atmosphere that's why many of our regulars have chosen us exclusively for many years. Try us and as the song goes "You can check out any time you like, but you can never leave ... the Motel Mirambeena!"
