School in Whyalla, SA Established in 1954, Nicolson Avenue Primary is situated centrally in the regional city of Whyalla. All members of our community are assisted to develop the necessary skills and provided with meaningful opportunities to teach, learn and lead. With site priorities of numeracy, literacy, science and wellbeing, students are supported in their development through individual learning plans developed in collaboration with parents and caregivers. Staff work collaboratively in strategic teams to plan and implement curriculum, methodology and pedagogy to continually improve student achievement. Our values of respect, honesty, pride and teamwork guide our community's interactions and the development and maintenance of quality relationships. We have a purpose built teacher resource center and a well-equipped computer suite. Many classrooms have electronic whiteboards catering for interactive learning. Students are successfully involved in a range of city and statewide sporting and cultural events.
