Specialty Food in Whyalla, SA
Sempre Italian is a gem in the main part of old Whyalla, right on the corner of the main T- Intersection in the Main Street of Whyalla. Sempre Italian Coffee Shop is the only italian restaurant in Whyalla's main street. Sempre Italian is a family owned business. The owner, Alessandro and his family have been running this joint for years. Alessandro is courteous and service is prompt. The management and staff provide a very welcoming atmosphere and excellent service, dedicated and helpful. Many of our regular customers come for the coffee -cappuccino, mocha, espresso, machiatto, any of your favorite Italian coffees-, but we also offer a variety of delicious home-made Italian food. You must try our fresh rolls and focaccia, made with an authentic Italian recipe. Lasagna, our all-time favorite, is one of our main dishes, and costumers always find it delicious with a side of garlic bread and olive oil. There are free local and state newspapers, as well as free Internode wireless broadband for mobile devices. Parking is easy nearby and we have outdoor seating, for you to enjoy a lovely afternoon. Due to the population of Whyalla, we are not usually opened at night-time. We open for breakfast at 8 am every day and we close around 6 in the afternoon.
