Wedding Planner in Sydney NSW
Melissa Bowman Weddings & Events can assist you at any point of your wedding planning process, from your engagement right through to your wedding day and honeymoon. This wedding planner operates in Sydney and the whole of the NSW country regions.

Packages can be altered and tailored to suit your needs and our main priority is to provide a calm and stress free wedding day! Melissa can turn a sometimes overwhelming experience into an exciting stress free one! Each of their couples have ceremonies that represent and reflect their personalities, and you can expect a uniquely crafted experience too! Melissa Bowman Weddings & Events is with you every step of the way. Together you'll plan and coordinate your wedding from start to finish, including sourcing, negotiating and booking everything you'll need; from cutlery to celebrant.

You'll have full support whilst ensuring you are in full control of your wedding. You'll also have your own 'on the day coordinator' to manage the numerous suppliers and ensure everything is running on time and according to plan!
