Restaurant in Rockingham, WA The sunset restaurant is a smart, waterfront space for all-day Modern Australian fare, with outdoor tables and an open kitchen ideal for a lunch meal with friends. This is a perfect place to meet friends for lunch and relax while looking out onto the beach and water. We offer meals for every time of the day: from breakfast to dinner and also lunch and even coffee and snacks. Our owner Trish takes great care on all of the operations here at sunset. With over 16 years hospitality experience managing numerous restaurant throughout WA Trish is proud of what her and her team have accomplished since taking over the restaurant 6 years ago. Trish looks forward to welcoming you to the best-located restaurant in Rockingham. Even our great head-chef Rana, that states that the passion of the food in the restaurant lies in simplicity – great seasonal ingredients from local suppliers, cooked with care and presented with flair. As a chef, I am very fortunate to be in an area with such a variety of local fresh fruit and vegetable purveyors. The restaurant has sourced local ingredients for over ten years from surrounding markets.
