Restaurant in Kalgoorlie-Boulder, WA Life's too short for bland, so spice things up with a PERi-PERi fix at Nando's – where you, your family and friends will always enjoy a warm welcome. That's because at Nando's, Minha casa é sua casa – our home is your home. And here, you'll find a relaxed atmosphere, friendly service and of course great food. It didn't take long for the word to get around or for the people of Australia to get addicted to spicing things up with a fix of flame-grilled PERi-PERi chicken. Thanks to their passion for PERi-PERi, Nando's spread across the length and breadth of Australia, and today, there are a few hundred Nando's restaurants serving succulent flame-grilled PERi-PERi chicken with Afro-Portuguese inspired side dishes. Come try some! In Kalgoorlie, we are located in Boulder Road. Each one of our restaurants has its own special design, but they all have earthy textures and colours that remind us of our sunny Afro-Portuguese roots and many feature original South African art and unique design touches. Cool Afro-Luso beats and friendly service add to the vibe, and then there's the piece-de-resistance – our flame-grilled PERi-PERi chicken that's served on beautiful crockery. Nando's is famous for its Portuguese flame-grilled, butterfly-cut chicken, which is marinated for 24-hours before being basted and cooked in Nando's famous PERi-PERi sauce!
