Holiday Resort in Esperance, WA
Esperance Bay Holiday Park is a small friendly park situated 1km from the town centre (5-10 min walk). The park is directly opposite calm swimming beaches and easy walk to fishing jetties, a variety of cafes, restaurants and hotels close by. We offer a variety of brick self-contained chalets, basic cabins and well maintained grassed sites to suit tents, camper trailers and sites with concrete slabs for motor-homes and caravans. Esperance is a perfect seaside destination offering an abundance of attractions and activities. We offer several Brick units that are self-contained and have kitchens and air-conditioning incorporated. We also have caravan sites available; all our caravan sites either have concrete slabs or gravel base, all are surrounded by lush green well-kept lawns and gardens. The sites are located close by to the ablution block and barbeque area. These sites are well maintained with lush green lawns and shade cloth matting, absolutely fantastic for tents, camper trailers and motor-homes. All sites are a short distance from the ablution and laundry areas.
