Cement, Lime, Plaster & Concrete Manufacturer in Bunbury, WAAustralind Pre-Mix was established in 1994 to produce and supply pre-mixed concrete to the Greater Bunbury Region & the South West. This family owned and operated business continues to grow rapidly through its ability to service the industrial, commercial and domestic concrete needs of its customers. Australind Pre-Mix is owned and operated by John and Sharon Hovey of Hovey Management Pty Ltd. The strength of Australind Pre-Mix is enhanced through its association with S & J Excavations and MJB Industries, offering clients a complete solution by providing a civil engineering and excavation service, coupled with the supply and lay of pre-mixed concrete and concrete products. The broad range of services provided by Australind Pre-Mix include concrete mixes for house pads, renovations, sheds, precast tilt up panels, kerbing, driveways, septic tanks and much more. Australind Pre-Mix focuses on streamlined practices, building efficiency and quality through vigorous testing and management of its processes. This is reflected in Australind Pre-Mix being accredited to the International Quality Standard – ISO-9001:2008, receiving certification in October 2012.
