

Inspex Building & Pest Consultants

2/8 Reichert Drive
Molendinar, QLD 4214
Australia

Phone: 1300467739

Inspex Building and Pest Consultants, Brisbane, conducts dilapidation survey to check on the situation of a building pre and post construction. A typical Dilapidation Report would include, establishment of the pre-existing conditions of a building or a structure before any repair or reconstruction work is started on them, in both the internal and external sections of the building.
