With 30+ years experience, Dentist Dr Stefan Danylak and the dhealth Dentistry team provide professional advanced dental services in Camberwell, Melbourne. dhealth Dentistry has one mission: to offer an improved smile with exceptional care to everyone who wants one. At dhealth Dentistry we we not only provide exceptional care, but we do so in a manner that suits your preferences and even your budget. Your smile is our reward. Dr. Stefan Danylak has been active in his constant pursuit of the latest techniques, holistic approaches to dental care, and the best innovations that help appeal to the most discerning patient. We specialise in general dentistry, cosmetic dentistry, orthodontics and periodontal treatments.
