We offer you a wide range of professional services, including Plumbing, Gas, and Electrical as well. As your one-stop business solution, we allow you to schedule your consults or repairs in just a single phone call. C Vella Plumbing & Electrical delivers pragmatic solutions to your everyday problems. We are here to service your most challenging and disruptive utility needs. No matter what the issue, we have you covered.

C Vella Plumbing helps consolidate your gas, plumbing and electrical needs into a single, cost-effective solution. Our company is spearheading a new, customer-centric approach for Townsville residents. We bestow customers the convenience of quality control, prioritising their needs and demands. When Caleb Vella established this company, he aspired to venture beyond such services as plumbing and gas. Rather he strived to deliver a single, comprehensive solution for his customers. To materialise his dream, he employed the most seasoned and competent trade professionals.
