Medical center in Bunbury, WA Doctor Foster and Associates has been serving the people of Bunbury since it was established in 1947 by doctors William Lawson-Smith and Dermot Foster. Our surgeries are modern, welcoming and family-friendly with a full team of motivated and professional reception and nursing staff, as well as an experienced team of doctors who are well-known throughout the South West region of WA. Constantly Committed To Promoting Health & Wellbeing: Doctor Foster and Associates aims to provide the highest standard of patient health & medical services to the Bunbury community. We are constantly committed to promoting health, wellbeing & disease prevention for all of our all patients. Our services are both heightened & complemented by our close relationships with all specialists working in Bunbury & all public health & preventative services such as St John Ambulance & Blood Bank. At Doctor Foster & Associates, you will find the full range of medical services for the whole family. Make an appointment to see your doctor about any of these areas: General health (general health care, Mental health, Women's health, Men's health, Comprehensive skin cancer care and surgery, Asthma education, Health education, Chronic disease care, Wound dressings and

care) Medical emergency (acute medical care, After hours care), Additional care (Medical examinations (work, insurance, aviation, diving), Nursing home patient care, Palliative care, Hospital care, Travel medicine advice and vaccinations) Pregnancy and children medical attention (infant and child health care, Pregnancy and delivering babies).Our surgeries are state-of-the-art, purpose built and contain comfortable consultation rooms, procedure rooms and private waiting areas as well as a soundproof audiology room. Our doctors accept a greatly reduced fee by offering bulk billing for pensioners, young children & some concession card holders at the doctor's discretion.
