Driving school in Bunbury, WA Street Smart Driving School offers lessons in both Manual Or Automatic Vehicles. Both with dual controls for added safety. Locally owned and operated by Rick Trafford. With above average pass rates for the practical driving test, you can be confident in receiving the best lessons available, with one of the oldest and best driving schools in the Bunbury area. Our primary aim is to teach students the following: 1. To pass the driving assessment 2. To ensure you have long term safe driving practices for the future. Street Smart Driving School offers lessons in both Manual Or Automatic Vehicles. Both with dual controls for added safety. At Street Smart Driving School, we operate in the Bunbury region from Gelorup, Dalyellup and Australind, (conditions may apply). We are here to help you learn to drive, and to pass the driving test. To make a booking, first you must have a valid learners permit, international license, or auto license if upgrading to a manual license. To obtain a learners permit you must visit any licensing center, with appropriate identification, and sit a computer test of 30 random questions. The pass mark is 24. Please view the following site for further details including sample test questions.
