Tafe in Carvanon, WAWith more than 980 TAFE qualifications to choose from, delivered by five TAFE colleges at campuses right across Western Australia, there are more opportunities than ever for you to make your name. From Certificate 1 to Advanced Diploma level, TAFE specialised in combining theory with practical training in industry relevant learning environments. This ensures you are well equipped with the skills you need to enter the workforce, gain a promotion or undertake further study via one of our university pathways upon completion of your qualification. his modern campus opened in semester two, 2015.The facility delivers training and qualifications for trainees, apprentices, post trade, technicians and plant operators in occupations relating to the construction, operation and maintenance of resource sector facilities, plant and equipment. The restaurant is an essential part of the training for our students studying Hospitality and Commercial Cookery. Our students are required to participate in every aspect of managing the restaurant.During training there may be times when things do not go exactly as planned, but we thank you for your patience, understanding and support of our students. Our student-operated retail training center give students a chance to operate 'real life' Hairdressing, Beauty Therapy and Massage clinics under the guidance of our qualified practitioners and lecturers.We ensure that all our students train to the highest standard in preparation for the workforce. Hairdressing apprentices are trained to meet the high standards required in today's workplace. We ensure our students get hands-on experience with real clients in every facet of Hairdressing. Our Beauty Therapy and Massage students offer a range of treatments and natural therapies including waxing, facials, massage and

aromatherapy. Student training is focused on health consultation to develop individual treatment plans for every client.
