Everlast Services is a proudly family owned and operated fencing, landscaping and concreting company in Hoppers Crossing, Melbourne. With more than 20 years in the business, we know all there is to know about fencing, landscaping and concreting. So why not let us apply our knowledge to your next home improvement project, for a result that is sure to delight.

We offer the Everlast Services price Gaurantee on every job—if you receive a cheaper quote for the same job, we'll beat it by 5%. While we have a highly talented and experienced team of fencing, landscaping and concreting contractors, we are also a steel fabricator and wholesaler. We manufacture all our own steel products at our state-of-the-art factory in Melbourne's western suburbs, making all our products 100% Australian made and owned, and built tough to last.

We deliver anywhere in Australia.

No job is too big (or too small) for us.
