Credit Union in Lidcombe NSW Community First is the largest community based credit union operating throughout the Sydney and Central Coast region with 11 Financial Services Stores. The credit union offers savings accounts, credit cards, home loans, personal loans, car loans, solar loans, and term deposits. Community First has been providing banking services to Western Sydney, Northern Beaches and the Central Coast region for over 55 years. During this time, Community First has challenged the stereotype of the traditional banking experience. They've moved from the traditional banking environment of counters and screens, and introduced a concierge to help their members with their banking needs. For the Narellan store, they have tweaked this concept even further in favour of an open planned layout, self-service solutions and quicker access to specialised staff – such as home lenders. Whether it's buying your first home, upgrading or investing, property ownership is still part of the Australian dream. Wherever you're at in life, Community First can help you turn that dream into reality. Or you can take out a secured loan with a variable rate and choose a loan term of up to 7 years.
