Nightclub in Kalgoorlie, WAsylvester's is one of the most iconic nightclubs in Kalgoorlie. We open early in the night, at 8 pm every night, with a more relaxed pace for our early customers. You can enjoy light drinks and listen to music while you are here. As the night goes on, you can sense the ambient evolving, and soon you will find yourself dancing along the best mixes of local DJs. Located at the top end of Hannans St, Sylvester's is Kalgoorlie's premier nightclub. Every Friday and Saturday night, Sylvester hosts Kalgoorlie's best DJs. We are promoters of young talent, promoting local artists every weekend. Live music performs from 10 pm until closing time, so we suggest you get here early so you can enjoy it at maximum! Sylvester's Nightclub is a two-story building in which you will get to enjoy yourself and listen to the best live music. The artists that perform at our nightclub not only play original music but they are also tribute bands. According to the Liquor Control Act 1988, we are not permitted to sell or supply liquor to a person under the age of 18 years, so we are very strict in our of-age-only policy.
