Do you want Quality Tiles at the Lowest Prices? RMS Traders is one of the largest importers and stockists of Natural Stone Tiles in Australia since 1986.

Over the past 28 years we have provided quality products for both large commercial projects and domestic applications all over Australia. We have stockists in all major capital cities and many regional centres as well.

RMS Traders stock a diverse range of over a 100 different stone tiles and pavers. The range of stones includes basalt bluestone, granite, limestone, marble, travertine, quartz, sandstone and slate. We stock all sizes and many different patterns to cater to any needs, and provide bull nosing and coping tiles for a professional finish.

In regards to any custom job, small or large! We can do it. With our factories and production plants overseas including and not limited to: India, China, Turkey, Amman, and Brazil, we can complete any task.

We pride ourselves in taking a personal approach with every customer's individ
