Pub & Bar in Mandurah, WA It was established in February 2007 & is located on the Mandurah Foreshore overlooking Mandjar Bay. We pride ourselves on our hearty meals at great prices & the best Guinness in town all served with old fashioned Irish hospitality. We provide great entertainment every night of the week free for all patrons including free trivia on Monday's, live soloists on Tuesday's, Karaoke fun on Wednesdays & live bands from Thursday to Sunday. We have a large selection of beer & cider on tap and also serve a great selection of wines, cocktails & coffees. Our delicious menu is far from the norm "pub grub". Our food is a favourite for locals and tourists for our consistent quality, big serves & delicious selection. If it's live sport you're after, then come and watch all the coverage on one of our 5 plasma screens or two cinema screens. We show a great variety of local & international sports on Foxtel & we're the only venue in Mandurah with Setanta Sports - so you'll be sure to find the European sporting match you're after at Murphy's. But if there's something you want to watch that isn't showing, simply ask our staff. You determine what we watch!
