Restaurant in Mandurah, WA Our cuisine is based on the central regions of Thailand, with full flavour curries and delicate wok fried creations. Simply delicious authentic Thai cuisine awaits you, as well as warm and friendly service that you could expect from the best of Thai restaurants. We are located at the corner of Gibson Street and Mandurah Terrace, the heart of Mandurah's famous and popular foreshore area. With stunning water front views, join us for a magical Thai dining experience to remember. We follow traditional Thai cooking methods as well as adding inspiration to a select range of choices. Our five different kinds of curries are all made with the same "Medium" level of hotness. From there you can request either "Mild", or "Aussie Hot". For those who like to tease their taste buds, "Thai Hot" is also available, although don't be offended by a few exploratory questions from our team first. And how could we forget?! Exclusive Barista Coffee from Hill Tribes of Northern Thailand. Silk's Signature Dish: The Aussie Rack of Lamb, marinated in Thai herbs and spices. Served on a sizzling hot plate atop fresh seasonal vegetables, we flambe it in Brandy at your table! Simply fantastic! Similar flambeed dishes are available with juicy sirloin, honey roasted duck, and fresh mixed seafood. Silk has also put a great deal of thought into our menu layout, providing an ease of ordering and flexibility that is truly unique to Silk. How do we offer this? When ordering any of our Wok Favourites or creamy Curries, you, the customer, can choose your
