Driving School in Perth, WAAt Driving Lessons Perth we offer great auto and manual driving lessons in Perth, Joondalup, Canning Vale and all areas between. With our highly effective teaching methods, patient & friendly instructors you're likely to pass your test 1st time!We teach by a 4-steps plan: Step One is Assesing -On the first meeting we assess your driving experience, if any, and choose where to begin. Step two is Explaining- We fully explain all aspects of the lesson to be covered. We do this in a way that is quick and very easy to understand. Step Three is practising - You have a go yourself and practise this new technique. Step Four is Provoding feedback - We log your progress, give feedback and decide on the next topic to cover.Whether an absolute beginner or you have some previous driving experience we will assess and teach you from a stage that suits your ability. We will teach you in a structured way, following our lesson plans, until we are happy that you will be able to pass your practical driving assessment. We have instructors specially suited to teaching people with learning difficulties and/or a disability. These instructors are patient and committed to teaching people to drive and to overcome any challenges that may arise on the way. Whether you are not sure if driving is for you or you know you will find it a challenge, call us to discuss how we can help. Please inform us on your condition so we can best help you.
