Taxis in Perth, WA We aim to achieve customer satisfaction in all areas at all times. With this in mind we have developed a number of services to ensure all our customers needs are catered for. All Swan Taxi vehicles have credit card and EFTPOS facilities onboard. Selected vehicles also have baby capsules onboard but are subject to availability. In 1928 Swan Taxis was formed by Matt Reid and today Swan Taxis Limited provides an important personal public transport service 24 hours a day, 7 days a week, to the Perth metropolitan community. This service includes conventional and special needs taxis and, our drivers are focused, hard-working business people that have devoted their skills and time in providing a very important service to our community through Swan Taxis Limited. Swan Taxis is a clear example of past successes, however, we are careful not to become complacent. We continually strive to enhance our service through new technology and by listening to our customers, drivers and industry representatives as a whole. Swan Taxis is very interested in customer satisfaction and we strive to offer an efficient and friendly service. In order to better our service to customers and understand our customers needs we encourage constructive criticism, compliments and general enquiries of any nature.
