

Andrew's Driving School

Unit 14/125 Rockingham Road
Hamilton Hill
Perth, WA
Australia

Phone: 08 9418 1344

Driving school in Perth, WA Andrew's Driving School is one of the oldest established driving instruction schools in Western Australia and is still under the same ownership since starting in 1982. We are based in Hamilton Hill and our lessons are conducted in the surrounding areas as well as Fremantle, O'Connor and Willagee. Our instructors have several years of experience between them, with many of their learners being referrals from previous clients. Our Truck and Bus lessons include 1 full hour with one-on-one tuition. There is no minimum amount of lessons required. It will depend on how quickly you pick up the skills to drive a larger vehicle, to following the road rules and to be able to drive up to Department of Transport standards. All lessons start and finish at our office. For the LR License you learn on a Toyota 14 seater bus. The MR Licence you learn on an 8 and a half ton Isuzu side tipper. The HR Licence you learn on a 22 and a half ton Isuzu Road Ranger tipper – the best way to get an open class licence and not restricted, so you will be able to drive any type of truck. All motorcycle lessons are for 1 full hour with one-on-one tuition. All lessons start and finish at our office. Whilst on lessons, and later on the riding test, we recommend you follow Department of Transport guidelines to wear a helmet, closed in shoes, long pants and long sleeves. We supply riding equipment, but if you prefer, you can bring your own helmet. We use Bluetooth head set communication, as is used by the Department of Transport during the riding test.
