Makeup in Rockingham, WA It is important on your wedding day or special occasion to be able to relax and have confidence that you are being assisted by a skilled makeup artist who is passionate about the entire experience. Look fantastic for your wedding with a makeup application that really will last all night. Makeup Artistry Rockingham offers a mobile bridal and special occasions makeup service for all Perth areas and also servicing south of the river; Mandurah / Rockingham. I can also recommend a mobile hairdresser for your convenience. The bride and bridal party will receive a makeup application appropriate to bride's vision for her special day. I specialise in a natural bridal makeup application as I believe you need to look like you "only better". I will take the time to listen and to work with you to achieve the desired look. Your wedding makeup needs to last all day and into the night. Jo always uses top quality products such as MAC and NAPOLEON PERDIS to ensure that it does last right through. A trial of your wedding makeup is recommended to discuss the theme of your wedding including colors, hairstyles and accessories. The trial is important to ensure you are 100% happy with your wedding makeup application.
