Concrete manufacturer in Burnie, TAS With concrete plants across Australia, we can deliver to every job no matter how big or small. Hanson is your single source of premixed concrete for all projects ranging from footpaths and driveways, to houses, freeways, airports and large infrastructure developments. Our range includes standard premixed concrete ideal for "Do-it-Yourself" projects, decorative concrete and high performance concrete for specialist applications.

Imagecrete Decorative Concrete: Imagecrete decorative concrete includes coloured, exposed and polished concrete mixes ideal for driveways, alfrescos, pool surrounds and internal flooring. Our extensive range ensure you create a unique space that suits your home facade and decor.

Premium Concrete: On top of our popular everyday premixed concrete range, we also offer our customers high-performance premixed concrete products that produce excellent results while solving problems relating to time, weather, quality, cost, labour or difficult compaction.

Services: On top of our quality products, Hanson offers you additional tools to help make your next project run smoothly. We offer an SMS messaging service to keep you up-to-date on where your order is. You can even track your order online through MyHanson (www.myhanson.com.au). We also have NATA laboratories offering concrete testing to ensure you get the best product, each and every time
