Pet Boarding in Acton Park, TAS We offer caring and secure boarding for both dogs and cats (and other family pets) with fun extras available to make your best friends stay an enjoyable one. Most dog owners reckon their dogs probably had a better holiday than they did! As for cats, they're treated like the 'royalty' they consider themselves to be at Best Friends. Best Friends offers overnight boarding care for dogs of any size. Our facility has a long history of caring for dogs. We have large skylights that bring in natural sun light and warmth. Outdoor exercise areas provide time in fresh air and sun, our facility is the cleanest around. We care for dogs that are friendly and are able to play in a daycare environment, as well as dogs that only like human companionship. We can provide extra playtime, country walks and beach walks. We also offer professional dog grooming, The well-being, comfort and happiness of your dog is more important than how it looks, yet we guarantee that your pup will not only leave looking spectacular but also happy. We offer professional care for your pet, including: monitoring, socializing, exercising, feeding, walking, medicating, and above all, providing compassionate love. We offer indoor/outdoor daycare and indoor overnight care. Overnight options include personal suites or open room slumber sleeping. Inspection welcome between 10am and 4pm daily.
