Hair and Beauty in Devonport, TAS Eyelash extensions revolutionized the beauty world, eliminating the need to curl, volumize, and lengthen lashes. Now, eyebrow extensions promise to make similar waves: They mean you could kiss coloring in and applying brow gel goodbye. If your brows are less than perfect -- think holes, asymmetry and thinning -- brow extensions are one of your only options. Bianca Jean Artistry offers the exclusive service to her clients in Devonport. When you have perfect eyebrows and perfect lashes to frame their face, you don't wear any eye makeup. Imagine you might wake up and put on a little powder, blush, and lipstick, and you are done. Professional women and mothers love it because they don't have a lot of time. Eyebrows are so inherently important for the symmetry of your face. They are so youth-giving so that when people have issues like alopecia or they're going through chemotherapy, it hurts their confidence. To be able to give it back to them is such a pleasure for Bianca Jean Artistry. Throughout the years, you start seeing a lot of hormonal imbalances, vitamin deficiencies, scars, and over-plucking. So women were really looking for a solution other than dealing with the daily hassle of trying to pencil in their brows or put powder in or waxing to hide them. Bianca Jean Artistry offers Brows & Eyelash Extension Tinting, Nails, Waxing, Makeup Artist, Lessons, Retail Stockists, Artwork
