Debt Collector in ACT With 15+ years' experience, Marshall Freeman knows what works and how to get paid. Their expert team are trained and dedicated to getting your debt paid quickly. They identify a willingness and ability to pay and then apply the right amount of pressure to make your overdue a priority. Marshall Freeman can recover all types of debt, in amounts from \$100 to \$100,000+. They can do dispute resolution, assist with slow payers, and help with bad debts and writeoffs. They offer a two-step slow payer system that empowers you to collect your own accounts before you even work with them -- if your customer pays, there is no commission! Their client portal gives you instant access to manage every aspect of your account from generating no-commission reminder letters, loading new debts, monitoring debt progress and credit protection documents.
