

Better Electrical

58A Picnic Point Road
Panania, NSW 2213
Australia

Phone: 02 9772 0255

With trade experience of over 40 years, Better Electrical provides the best electrical services throughout Sydney. Our fully trained electricians deliver the highest quality and professional electrical repair and maintenance services at reasonable prices to everyone looking for a Sydney electrician. We are proud to be accredited as one of the first Master Electricians in Sydney. We are one of a handful of electricians to be Triple Accredited.

We use a sophisticated electrical safety management system, SafetyConnect, to ensure the safety of our customers & employees at work. Customer satisfaction is our prime motto and we provide special discounts for our seniors. Apart from offering all aspects of electrical repair and maintenance services, we are the leading suppliers & installers of air conditioners in Sydney. We are your Emergency Electrician in Sydney available 24/7 for your convenience.
