Aged Care Accommodation in Lavington, NSW The United Protestant Association (UPA) is a Christian organization that aims to provide quality service and care. We believe that every person that we care for has the right to live in peace with dignity, respect and security. That right does not diminish, irrespective of age. We welcome people from all religious and cultural backgrounds. We convey compassion, kindness, respect and honesty in our work. Our staff and volunteers encourage and empower those we care for to choose their own path. Mindful of how we ourselves would like to be treated, we aim to provide a caring atmosphere of Christian love and understanding. When we have failed to live up to our Mission, Values or Philosophy of Care we will seek to make amends. A modern country homestead set in well-established gardens provides the perfect rural setting for UPA's Hostel. Twenty permanent residents and 1 respite form a happy bustling community. All rooms have an ensuite and most provide direct access to the gardens. Myoora's living and entertainment areas are on one level allowing easy access and mobility. Home cooked meals are provided in a spacious dining room. The Hostel provides 24-hour care by well-trained staff and is joined to the new Henty Hospital which enhances the care given.
