Pets in Bathurst, NSW PETstock has everything you need for your furry, feathery and scaly friends! From dog and cat food to flea and tick treatment, you'll find products for pets of all shapes and sizes! Visit our Bathurst store to meet the team and check out our huge range for yourself. Leashed pets are more than welcome in our store, so make sure you bring them along with you! Our PETstock VET Animal Hospitals are caring and friendly practices, dedicated to providing your pets with the best veterinary care possible. State of the art, purpose built facilities offering the best in veterinary medicine, PETstock VET Animal Hospitals offer a complete range of medical services including a fully equipped surgery, digital x-ray and dental suite. Our skilled vets and nurses undergo constant education and training to maintain the most current medical knowledge. If your pet must stay with us in the hospital or undergo surgery, you can rest easy knowing your buddy is in safe hands, in a comfortable and hygienic environment. PETstock VET Animal Hospital uses the safest, human grade anaesthetics and digital monitoring systems; your pet will also have a dedicated theatre nurse alongside them throughout the whole procedure. Open seven days, our PETstock VET Animal Hospitals operate within your local PETstock store, so you have the convenience of having everything in one place each time you visit.
