Doctors in Brisbane, QLD Established in 1988, we have over 28 years' experience servicing patients of all ages throughout Brisbane. We are the preferred Medical provider for the Brisbane Tourism and the Convention Centre, and all the leading hotels in the CBD and Southbank; we also cater to overseas students and backpackers. We are recommended by international travelers' guide books such as Lonely Planet. We are passionate about providing personalized and dedicated care, taking into account each patient's individual needs and concerns to ensure that you're fully satisfied with our service. Our state-of-the-art medical center is fully equipped with all the most advanced equipment, ensuring that we can offer the highest quality care possible. From the moment you set foot in our medical center, our friendly, caring team will make you feel right at home, making sure all your needs are taken care of. Bulk billing is available from some of our doctors for pensioners, health care card holders at all times, and for low-income earners (with evidence of earning less than \$35k i.e. less than \$600 a week after tax) between 9 am - 4 pm Monday to Friday only. At CBD 7 Day Medical Centre, we offer a wide range of quality services to patients of all ages throughout Brisbane. With over 27 years' experience in the industry, we understand the importance of personalized and caring service, and our team guarantee to make you feel relaxed and comfortable every step of the way.
