Café in Brisbane, QLD Southside Tea Room, Morningside serves up a side of vintage retro charm with your green tea. Offering a variety of retro treats including neenish tarts, sand cake and marshmallow, cornflake and chocolate chip cookies, the Southside Tea Room is just the spot for locals looking beyond the overcrowded Oxford Street on a Saturday morning. Amazingly, combining all of the over-the-top aspects of Southside Tea Room weaves an amazing tapestry of rad: couches your Nanna had, macrame pot holders, pinball machines, fake flowers, crocheted tablecloths, fairy lights, novelty teaspoons, Tupperware party platters and curios adorning every surface. It is a dreamy place that will leave you feeling satisfied and relaxed with it's atemporal aesthetics. The Southside Tea Room is perfect to enjoy an afternoon date with yourself or others, to feel pampered and spoil yourself a bit with it's amazing desserts. The staff is always pleasant and will try their best to make your experience unforgettable. Many of our clients are delighted with the service they get, although it can get pretty busy on weekends. Find a spot where you can check out the quirky crew of cuties while you tuck into a Cuban sandwich, smokey BBQ baked beans, a breakfast burrito or the huevos rancheros (some of our costumers say it's perhaps the best they've ever had!).
