Hire Gold coast wedding photographers to capture the precious moments of your special day. Gold coast photography has great experience in every type of wedding. Wedding Photographer Mornington Peninsula. Providing Professional and affordable wedding photography in Gold Coast, Australia. Capture some perfectly stunning photos of your wedding. We are available to shoot weddings all over Gold Coast, Melbourne, Sunshine Coast, Fiji, Byron Bay & Beyond. We begin our day taking preparation photos of both bride and groom (both Steve + Keshia will be there – no, your eyes are not playing black magic trickery on you, you get TWO photographers for the ENTIRE day). We will flit between the two locations of preparation getting all the photos possible. Our last visit is generally to the bride, before we boot-leg it to the ceremony area. A boutique Gold Coast based Wedding Photography company, specialising in all day wedding photography with a vintage feel.
