Didasko Institute of Business is a wholly owned subsidiary of the Didasko Group. With over 17 years of experience in vocational and higher education, the Didasko Group is focused on providing affordable, accessible learning solutions leading to employment outcomes. Didasko Institute of Business and Melbourne Polytechnic have entered into a partnership to provide students with access to Diploma programs in Business, Business Administration, Marketing and Management. This will enable you to access VET FEE-HELP in addition to the combined teaching and learning and student support offered by Didasko Institute of Business and Melbourne Polytechnic. These qualifications shall be delivered through the Didasko Online flexible delivery platform and Melbourne Polytechnic will be the listed accredited training provider of your Diploma qualification.
