Phone: 08 93891533

Vascular disorders in the recent years have been quite abrupt and repetitive which is essentially why a reliable fix for such disorders are sincerely required. In the light of that, whilst looking for a treatment center, the main focus should not only be on the remedy but the doctors and the environment surrounding it too. One such profound vascular Treatment center in Perth would be A-Vascular guided by the veteran vascular specialist Dr. Patrik J.Tosenovsky. Pooling in his vast knowledge and experience of over 20 years, the doctor and his functional team of vascular surgeons would treat and nurse your vascular disorders away. Starting from TOS pain relief, DVT, PAD treatment, AFV for hemodialysis, Varicose vein treatment and aortic aneurysm care to even taking care of your diabetic foot ulceration and its remedies- at A-Vascular any and every of your arterial and venous problems will be answered and catered to.
