We are committed to providing impeccable service to our clients and our level of service and professionalism can be seen in our workmanship and our 5 star rated reviews and testimonials from previous clients. Aussie Outdoor Living are The Hills District leading specialists, and have award winning designs in outdoor living and entertaining. We have created a specialty range of packages and added extras to suit every type of home and taste. We believe in investing in your home and maximising your outdoor space, whilst adding value and lifestyle. We are based in Dural with a newly renovated outdoor living and entertaining showroom which showcases full size pergolas, patios, decks and much more! Aussie Outdoor Living are Pergola, Patio and Deck installers, we do not supply material only. If you require repair work on your existing structure, we suggest contacting a local carpenter or builder as we do not offer repair work.
