Our specialty not only lies within supplying furniture to hotels, motels, resorts, student accommodation and furnished apartments, we also specialise in refurbishments for hard and soft interior fit outs. Our idea of being the single point of contact and project manager means we can accommodate to all the requirements of the furnishing project, making the operation seamless. Resort Furniture offers a service provided by industry experts of over 30 years' experience. Our success comes from delivering the highest standard of products to hotels, motels, resorts, student accommodation and furnished apartments to ensure the best possible outcome. We thrive on our earned reputation of delivering furniture in the budget and on time, every time. Choose Resort Furniture and enjoy the first class trusted service as Resort Furniture delivers its promise and beyond. We provide total flexibility and choice offering custom made hospitality furniture and packages from the initial concept through to the delivery and installation. As well as supplying furniture to new hotels and resorts, Resort Furniture is a refurbishment specialist for both hard and soft interior fit outs. We offer a single point of contact and 'project manage' all your furnishing requirements making it a seamless operation.
