

Custom Presentation Systems

Unit 9, 7 Tucks Road
Seven Hills, NSW 4220
Australia

Phone: 02 9624 7727

CPS specialises in Audio Visual Design, Supply and Installation. With over 25 years' experience in the Installation Requirements of both Small and Large Systems, we have been offering a total supply package to a broad range of commercial and corporate end users.

Located in Seven Hills, Custom Presentation Systems operates throughout the Sydney metropolitan area. CPS has a client portfolio in the Private Schools and Colleges area in Sydney, where we provide solutions for Classrooms, Halls and Auditorium Set-ups, as well as other related applications such as Digital Signage, Public Address, Meeting and Conference Rooms. Custom Presentation Systems has also worked with major organisations, government departments, conference centres, small companies, and public utilities designing custom applications to meet the needs of each group.

We construct Installations with only Quality Products and accessories. CPS is a Premium dealer of Epson Projectors, Samsung LED Televisions, Frontrow Calypso Control products and Integrated school communication Systems, Hills SVL range of sound equipment, Push Control Systems, Extron Signal Processing Electronics, Amber Technologies as well as access to most of the major brands to suit your

specific needs.

CPS has Qualified In-House Electricians and AV technicians that are working together from the planning stage until the completed Installation.
