Pet Care in Brisbane, QLD Relax on holidays knowing your pet is safe being looked after by a Pet Professional. Pet Supersavers Pet Sitting & Pet Minding covers Brisbane North in a range of services. Your pet can holiday with us – we can do home visits to you – or a pet professional can stay at your place during your holiday! So you can relax knowing your best friend is safe and being cared for properly. Our pet professionals are trained knowledgeable staff at the Pet Supersavers store – when your pet is holidaying with us there is a few things required – must be vaccinated, wormed and flea control used. Small pets are able to travel to the store daily – so there is someone with them constantly. Larger pets stay at our staffs home and play with the other pets! Visits to you – we can tailor a schedule to visit either once or twice daily – your choice and we feed your pets, walk dogs, collect mail, bins out, mow the lawn – whatever is required. We stay at your place – We come bunk at your house for the duration of your holiday ensuring your pets are well looked after. We feed, walk, bins out, collect mail, we can mow the lawn etc – whatever is required to ensure your pets holiday is a relaxing one! Forget pet boarding kennels – have your pet relax at home or with us – we don't use cages – they run around and enjoy their stay. We look after all creatures great and small – from rodents to birds, to reptiles to dogs and cats – so book early as we only have a limited amount of staff and placements we can offer. Going away for just a day trip - no worries - book in today for our Doggy Day Care Service - we look after your pet from 8 am to 6 pm while you enjoy your day! We specialize in Brisbane Northern suburbs from Brisbane city to Caboolture, we may be able to do outside this area - please ring and confirm - surcharge may apply
