Gourmet in Cairns, QLD For over 6 years Global Gourmet has been producing what many believe to be the finest gourmet yogurt available today. Using only the highest in quality ingredients and a time-perfected recipe, we produce not only a fantastic treat but also a healthy alternative to junk food that the whole family can enjoy. In the beautiful coastal town of Cairns, Global Gourmet have been delivering a variety of delicious creations to our retail customers to offer them a fantastic revenue stream. We deliver fresh and as ordered, giving our customer, the retailers, the best point of difference in the marketplace; Wholesome Freshness. It's this fresh approach and our use of 100% fruit that makes us not only one of the fastest growing favorite for homes all across Queensland but also a fixture in quality restaurants and hotels. Our unique recipe means we produce a thick and creamy yogurt like no other; you can even carve it into cubes for the WOW factor presentation at dinner parties. If you are interested in trying our gourmet yogurts or any other of our delicious products, please see our retailers list on the where to buy page. All inquiries related to selling our products in the retail/wholesale market, please use our contact form or call Ben Price directly on 0459 116 444.
